KURZ
RENEWABLE SOLUTIONS

BESS OFFERINGS

We Keep Wind, Solar, and BESS Installations Running with OEM & Upgraded Components

Battery System Parts & Repair

- Battery modules
- Battery racks
- Module interconnects
- Rack busbars
- DC harnesses
- Power cable assemblies
- Battery connectors
- Terminal assemblies
- Rack power distribution assemblies
- DC disconnects
- DC fuses
- Contactors
- Pre-charge contactors
- Pre-charge resistors

Battery Management System Parts & Repair

- Rack BMS controllers
- Master BMS controllers
- Battery control units
- Current sensors
- Temperature sensors
- Insulation monitoring devices
- BMS power supplies
- BMS communications gateways
- Local BMS HMI panels

Power Conversion System Parts & Repair

- IGBT modules
- SiC power modules
- Power stacks
- Capacitor banks
- DC-link capacitors
- Line filters & reactors
- Busbars
- Disconnects
- Breakers
- Surge protective devices
- PCS interface modules

Energy Management / Controls / SCADA

- Plant controllers
- EMS controllers
- PLCs
- HMI screens
- Data loggers
- Protocol converters
- Fiber interface modules
- Network switches
- Time-sync hardware
- GPS / NTP / PTP devices
- UPS units for controls

Communication & Monitoring

- Modems
- Radios
- Antennas
- Gateways
- Ethernet switches
- Fiber interface modules
- Media converters
- Remote monitoring devices
- Weather sensors
- CCTV & security interface devices

Mechanical Components

- Bearings
- Electric motors
- Gearboxes
- Gearmotors
- Couplings
- Power transmission accessories

RENEWABLE SOLUTIONS

BESS OFFERINGS

We Keep Wind, Solar, and BESS Installations Running with OEM & Upgraded Components

Thermal Management System

- Cooling fans
- Blowers
- Liquid cooling pumps
- Coolant manifolds
- Heat exchangers
- Chillers
- Dry coolers
- Compressors
- Condenser fans
- Coolant hoses
- Coolant valves
- Expansion tanks
- Reservoirs
- Filters & strainers
- Flow switches
- Flow meters
- Pressure sensors
- Leak detection sensors
- Heaters
- Anti-condensation heaters
- HVAC units
- Thermostats
- Thermal controllers

Protection & Safety System

- Smoke detectors
- Heat detectors
- Gas detectors
- Fire alarm interface modules
- Suppression release modules
- Suppression supervisory devices
- Alarm horns
- Strobes
- Annunciator panels
- E-stop stations
- Safety relays
- Door interlock switches
- Access switches
- Lockable disconnect hardware
- Arc-fault detection hardware
- Ground-fault detection hardware
- Isolation monitoring devices

Transformers / Switchgear / Electrical Distribution

- Breakers (MCCB & ACBs)
- Breaker trip coils
- Auxiliary contacts
- Protection relays
- CTs & PTs
- Metering devices
- Power quality meters
- Auxiliary transformers
- Station service panels
- LV switchgear & components
- MV switchgear & components
- Fuse holders
- Terminal blocks
- Control & interface relays
- Surge protection devices
- Motor starters
- VFDs / AC drives

Questions?

Contact our sales team at 800.776.3629 or wind@kurz.com for additional details on our service offerings.
