KURZ RENEWABLE SOLUTIONS

SOLAR OFFERINGS

We Keep Wind, Solar, and BESS Installations Running with OEM & Upgraded Components

Inverter Parts & Repair

Cooling Systems

- Fans
- Pumps
- Heat exchangers
- Chillers
- Hoses
- Filters
- Cooling controls

Power Conversion

- IGBT modules
- Power stacks
- Capacitor banks
- Reactors and filters
- Busbars & DC link assemblies

DC Input & AC Output Hardware

- Disconnects
- Fuses
- Breakers
- Contactors
- Surge protection
- Current & voltage sensors
- Terminal assemblies

Protection & Safety Devices

- Protective relays
- Anti-fault hardware
- Interlocks
- E-stop assemblies
- Isolation monitoring devices

Communications & Monitoring

- Modems
- Gateways
- Ethernet switches
- Fiber interface modules
- Data loggers
- Antennas and radios

Cabinet, Wiring & Field Electrical Repairs

- Enclosures
- Door hardware
- Harnesses
- Terminal blocks
- Grounding assemblies
- Connector kits

Tracker Actuation Parts & Repair

Drive System Repair & Replacement

- Motors
- Gearmotors
- Slew drives
- Actuators
- Couplings
- Torque limiters
- Motion hardware

Battery & Backup Power

- Batteries
- Battery packs
- DC power modules
- Chargers
- Backup-power restoration

Communications & SCADA Interface Hardware

- Radios
- Antennas
- Repeaters
- Gateways
- Harnesses & communications cabling

Wiring

Cables & Connectors

- Solar Cables
- Low Voltage Cables (Copper and Aluminum)
- Medium Voltage Cables (Copper and Aluminum)
- Fiber Optics Cables
- Data Cables
- Cable Glands & Connectors
- Cable Protection & Marking Systems

Site Monitoring

Sensors & Systems

- Meteorological / weather monitoring stations
- Irradiance monitors
- Wind monitoring / anemometers
- Electrical performance monitors
- Soiling monitors
- Snow monitors
- Flood / stormwater / hydrology monitors

Transformers (LV/MV) Supply & Repair

- Inverter step-up
- Collector
- Pad mount
- Aux station service

Switchgear (LV/MV) Supply & Repair

- Plant auxiliary
- Collector
- Station service distribution
- Plant substation distribution
